

Port Huron Yacht Club – Transient Mooring Policy

**Visitors the week of the Port Huron to Mackinac Race are restricted to designated guests of the current Commodore of the Port Huron Yacht Club.*

**Visitors are restricted during Regatta Weekends to designated guests of the Flag officers of the Port Huron Yacht Club. (LHYA weekend {usually the first weekend in July} and Leukemia Cup /LHOOD on Labor Day weekend.)*

Visiting boats from reciprocating clubs may stay one night without cost. The cost of additional nights is available by calling the designated Dockmaster or the Mooring and Storage Chairperson listed in the PHYC Membership Handbook located in the bar.

Visitors are asked to tie along the wall in the Black River, allowing space for additional guests. Immediately after securing your vessel, you are asked to register in the guest boat book located in the bar at the clubhouse. Your own club membership card will be needed to verify your membership.

Facilities:

It is requested that someone stay aboard the boat while it is moored at PHYC. Boats left unattended without authorization for an extended period of time may be towed at the owner's expense. Special arrangements can only be made by a PHYC Flag Officer, the Dockmaster or the Mooring and Storage Chairman.

Guest mooring is located along the south wall of the main basin, on the Black River. Unauthorized transient boaters occupying PHYC member wells will be towed at the owner's expense and will be permanently banned from future mooring at PHYC.

Mooring along the wall is a two point tie off; power is available, water is limited.

Our Club is strictly a volunteer club – the clubhouse is only open when a member is at the club. We do not have a restaurant or food service available although there are restaurants nearby within walking distance.

Ice bags are available when a member is at the club.

Unisex showers are available. The combination can be requested when you register.

Internet is available in the clubhouse, on the patio/deck area and for a limited distance in the basin. Access codes can be requested when you register.

The parking lot is for members only
