SAILING INSTRUCTIONS

The 2003 SYC – PHYC Race Program shall govern except as modified by these sailing instructions.

MEANS OF PROPULSION

Every effort **MUST** be made to avoid interference with Great Lakes shipping. If a yacht is in the seaway channel and is in danger, propulsion other than sail may be used without penalty to move the yacht out of the seaway, provided that the yacht's position in the race is in no way improved by doing so. Such propulsion shall be reported to the Race Committee.

SHORTENED COURSE: "F" mark will be at the port end and the RC flag on the starboard end. The following starting sequence will replace RRS rule 26 starting system. Starting signals will be made in five minute intervals. Each signal will be removed one minute before the next is raised. Warning: Yellow flag, one sound. Preparatory: Blue flag, one sound.
