Important messages:

- ◆ As always, please check the 2007 Race Program before the first race.
- ◆ Just a reminder - the following is an extract from the 2007 Race Program:
*Participants assigned Pizza Sales and Clean Up shall be responsible for the sale of pizza in or about the SYC bar area. Duties also include the collection and disposal of all empty pizza boxes and associated napkins etc. It is also required that those assigned to Pizza and Clean Up **will remain to assist in the general clean up of the bar area and/or clubhouse after the bar is declared closed.***
- ◆ Volunteer assignments are an important factor in the success and quality of the MORC Wednesday Race Series. When assignments are not fulfilled it affects us all - we didn't do a good job in 2006. **Any assignments not completed in 2007 will attract a \$30 fee.**
- ◆ Cruising boats will be raced and scored in two divisions – Main and Jib only and Main, Jib and Asymmetrical Spinnaker – check your Race Program for details.
