NOTE: Class splits for Spring/Fall and Special Series Races will be determined by number of boats registered and their handicaps to provide for balanced classes. Please insure that you check the PHYC/SYC Fleet Registration prior to racing. Official registration will be posted at the clubs. This will also be posted and can be viewed at WWW.PHYC.ORG but will not be considered official. **YOU MUST ALSO REGISTER WITH PHYC/SYC!**

All boats must fill out and send in LHPHRF ratings application (PHYC/SYC PHRF Dues are not required unless you will also be sailing in PHRF classes. There is no charge for renewals of PHRF certificates if applied for by March 15.)

Please indicate which Spring/Fall Series class you will race in:  Asymmetrical  Main & Jib

Please indicate which Special Series class you will race in:  Spinnaker  Asymmetrical  Main & Jib

The Cruising Class Fee is \$15.00 (U.S. Funds) prior to March 15. This fee must be paid at the time of registration. All boats must also be registered with PHYC or SYC Race Program. Please make checks payable to **Steven Styles**.

Return registration form and fee to: ***Steven Styles***  
***445 Hemlock Lane***  
***Marysville, MI 48040***

Attention: **REGISTRATIONS AFTER MARCH 15 SUBJECT TO \$10 LATE FEE.** If your registration form and fee has not received 72 hours prior to your first race, no times will be taken. **NO BACK RACES WILL BE TAKEN INTO ACCOUNT.**

In order to make the race program work, you or your crewmembers should consider volunteering for one of our class Race Committee (RC) assignments. This could be as a RC boat or as part of RC. If we do not have participation through volunteers, the RC responsibilities may be assigned on a rotating basis. No experience or training is required. You will be notified of any proposed assignments at the beginning of the race season. Also, help for the class parties would be appreciated.
